Call to Worship:

One: Lord of the universe, you have called us to worship you,
and we have come.

**All: In worship, we find peace, our place in your world,
and our calling.**

One: We come to this place, bearing burdens we lay before
you.

**All: In the world around us, we recognize the goodness
you offer us, and so we praise you.**

One: Lord of the universe, you have called us to worship you,
and we have come.

All: Let us worship God together.

Opening Hymn: #372 Praise him, Praise him, Jesus our blessed
Redeemer

Prayer of Approach

Unison Prayer of Confession:

**Loving God,
you send us into the world to share your love and peace,
yet too often we create discord and division. We serve
our own interests first, ignoring those who need help the
most. We value our possessions over the wellbeing of
others, and our own comfort over the needs of the poor.
Forgive us for such self-centeredness. Help us to be
more faithful disciples of Jesus, eager to serve, satisfied
to help others in his name.**

St. David's is a lively congregation of people from many backgrounds, young and old, from Newfoundland, from mainland Canada and other places around the world. A very old congregation, begun in 1775 as "The Dissenting Church of Christ at St. John's", it became part of the Presbyterian Church in Canada in 1938, and took the name St. David's in 1959.

Our historic roots nourish a mission-minded, scripture based church which seeks to express the faith for the modern day. Our aim is to foster a welcoming, loving and joyous spiritual community where all worshippers feel comfort and enjoyment.

PWS&D Shining hope PWS&D helps to ensure access to medical care and training in disease recognition and prevention so that families and communities can grow healthier. Through timely diagnosis, medical care and health education, people affected with leprosy and other illnesses in an impoverished region of Nepal are improving their health with support from PWS&D partners at the Shining Hospital. Dal is one person receiving support. A reaction to the medication Dal was prescribed for his leprosy left him very sick. Every hospital he visited couldn't provide treatment, until he visited the Shining Hospital. There, Dal received the support he needed to restore his health and the life he enjoyed. This story of hope is shared by 158 patients who received treatment for leprosy over the past year. PWS&D brings medical care to remote villages
