Presbyterian Church  
~Welcomes All~**

**St. John's, Newfoundland and Labrador**

***Congregation founded in 1775***

*"For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord." (Romans 8:38-39)*

**Sunday Service** This Sunday's Service will be available on Sunday Morning, and can be found on our YouTube channel at:

<https://www.youtube.com/channel/UCFCfIHeNnDk-dINWCrfNdag>

Or by typing "**St. David's Presbyterian Message for May 10, 2020**" into Google. This Sunday's scripture reading will be: *John 14:1-14*

We pray for health workers, including physicians, doctors, nurses, social workers, therapists, paramedics and support staff.

**Prayer Partnership:** The Presbyterian Church in Canada offers a prayer partnership that may form part of a daily devotional, please consider these prayer partnerships:

**Sunday, May 10 (Mother's Day/Christian Family Sunday)** Pray for strength for mothers in Afghanistan, Malawi, Haiti, India and Nepal who travel by foot to visit Presbyterian World Service & Development partners' maternal and child health clinics.

**Monday, May 11** We pray for the ministry and mission of the students who graduate virtually this month from our three theological colleges and prepare to seek calls to congregations.

**Tuesday, May 12 (International Day of Families)** We pray God's blessing on families. May they be places where spouses, parents and children experience a reflection of God's unconditional love.

**Wednesday, May 13** We pray for all those international guests who were to travel to take part in the upcoming Presbyterian Women's Gathering in Richmond Hill, ON, may they remain safely at home.

**Thursday, May 14** We pray for our incoming Women's Missionary Society president, Cathy Reid, as she prepares to take on her responsibilities. Offer thanks for outgoing president, Janet Brewer.

**Friday, May 15** On this day in 1919, the Winnipeg General Strike began. We pray for fair and just working conditions for all workers.

**Saturday, May 16** We pray for small-scale farmers around the world who are learning new agricultural techniques to increase crop yields and improve nutrition with the support of Presbyterian World Service & Development.

### **Kitty O'Meara's Poem**

*And the people stayed home. And read books, and listened, and rested, and exercised, and made art, and played games, and learned new ways of being, and were still. And listened more deeply. Some meditated, some prayed, some danced. Some met their shadows. And the people began to think differently.*

*And the people healed. And, in the absence of people living in ignorant, dangerous, mindless, and heartless ways, the earth began to heal.*

*And when the danger passed, and the people joined together again, they grieved their losses, and made new choices, and dreamed new images, and created new ways to live and heal the earth fully, as they had been healed.*

-Kitty O'Meara

This poem comes via Eun Go and Lillian Crawford. In the past week it's gone viral on the internet after being discussed by Deepak Chopra and the OprahMag.com. Kitty O'Meara and her husband Phillip live at home outside Madison, WI. Check out the article in OprahMag.com who got in touch with this lady by searching "Who is Kitty O'Meara?".

## News from away

Janet Aitken's nephew, Dr. James Barnes, PHD works for the company, Bergenbio out of Oxford, UK. He and his team have been working on a cancer drug which has been selected for a British trial of potential COVID19 treatments. The study will test the medicine in 120 hospitalized patients, with half getting the drug and half receiving standard treatment, across six public hospitals in Britain. If successful, the drug could help reduce the recovery time of those with the virus. Please check out the Telegram article in the April 30<sup>th</sup> 2020 edition concerning this.

## Closer to St. David's

The food bank **NL Eats** is operating out of our hall. For more information, check out their entry line in the online database at the Food First NL website at [www.foodfirstnl.ca](http://www.foodfirstnl.ca) and click on the database of community food programs. While they have signed the regular rental contract, we are not charging them. However, they are responsible for their own garbage and cardboard removal.

If you would like to donate in support of this group, they have provided a link: <https://www.surveymonkey.com/r/6RVZZQ8>

We would like to recognize and thank **Frank Fogwill** for taking such good care of us during this time. As well as doing a daily walkabout, Kay Scott says he's managed to greatly improve the look of the church by sweeping and cleaning up the area at the front of the church. Thanks Frank!

**Brian Way** has been uploading a daily "Patio Series" of performances from, you guessed it, his patio! To hear Brian and friends play and sing, you can find his videos at

**Sunday is Mother's Day. This is for brave dads. If you have a printer and can print this next page out, do so. Then - this is where the brave part comes in - get some water color paint, smear it all over your kids hands and have them sign the page. There's nothing cuter than tiny hand prints.**
