

## **Sunday March 28<sup>th</sup> 2021**

This Sunday's Service will be available on Sunday and can be found on our YouTube channel by typing "St. David's Presbyterian Message for March 28, 2021" into Google. Copies of the hymns and the scripture readings are included in the email sent out each Friday. The scripture readings for this Sunday are:

**Isaiah 50:4-9; Mark 11:1-11**

**Church Office Hours:** Rev. Sturtevant is working from home. He can be reached on his cell phone at 699-3661. Alternately, you may contact your elder. The elder's list is on the back of this bulletin. Monica is in the office each weekday from 9 am to 1 pm, if you need to drop off or pick up something.

**Prayer Partnership:** The Presbyterian Church in Canada offers a prayer partnership that may form part of a daily devotional, please consider these prayer partnerships:

**Sunday, March 28 (Palm/Passion Sunday)** When we turn off our lights during Earth Hour, we are reminded of the need to use the Earth's resources responsibly. We pray that we will carry this reminder throughout the year.

**Monday, March 29** We pray for the people, ministries and mission of the Presbytery of Kootenay in B.C.

**Tuesday, March 30** We pray for retired ministers and professional church workers, and for those preparing for retirement.

**Wednesday, March 31 (Transgender Day of Visibility)** We pray for the safety, dignity and well-being of all transgender people.

**Thursday, April 1 (Maundy Thursday)** We give thanks for the leadership of the Rev. Amanda Currie while she served as Moderator and for the support of the Committee to Advise with the Moderator during her term and today as they count the ballots for the Moderator-Elect for the upcoming General Assembly.

**Friday, April 2 (Good Friday)** Let us pray for the church, and that God will keep it faithful in worship, humble in service, gracious in spirit, grounded in truth and persistent in proclaiming the good news of the gospel.

**Saturday, April 3 (Holy Saturday)** We pray for a spirit of encouragement for congregations as they seek ways to work with local churches and interfaith organizations.

## **From the Board, Session and Treasurer**

### **In-person Church Services Resuming Easter Sunday, April 4, 2021**

With the recent lowering of our province's alert level to alert level 2, it is with joy that we are able to announce that we will be having a worship service that will be both **in-person and live-streamed on Easter Sunday, April 4th, at 11:00 AM**. This service will also be a **Communion Service**, and we invite you to participate with us in person or from your home.

### **Getting the Service and Bulletin using our website**

This bulletin and the Sunday service are placed on our website as soon as the Rollmann family get Monica's email. The website is [stdavids.nf.ca](http://stdavids.nf.ca) and if you type this in as your search, our website will be right there. At the top of the main page is a "Sunday Service" which will take you to this week's service link and bulletin. Since our Sunday services are now live-streamed, the link is already posted so people can experience the Sunday service at home live beginning at 11 am on Sunday. If you click on Video Service for March 28<sup>th</sup> you will see the screen and the note: live in "a number" of hours. After the fact, you can see the You-tube video of the service. If you would like to catch up on previous services all are available, simply scroll through the services and choose the Sunday service or bulletin that you would like to see or read.

**How can we help you at this time?** Do you need any help getting groceries, having something picked up, or having something dropped off (like this bulletin or the minister's weekly sermons)? Would you just like to have a chat with the minister or your elder? You may call the church at 722-2382 or email us at [stdavids@nfld.com](mailto:stdavids@nfld.com) and we'll see what we can do to help. Monica is still at the church during regular office hours from 9 am to 1 pm each weekday, if you want to drop by for any reason.

## **Treasurer's Report**

**You should have received your 2020 receipts by now. If your receipt has not arrived, please contact Monica and she will track it down for you.**

Thank you to all who are continuing to donate to your church through your envelopes, by e-transfers, or through your monthly PAD contributions. My thanks go out to elders and friends who happily and gladly pick-up envelopes from those not able to get out and help by dropping them off at the church office.

**By the way, the sole email address we are using to accept donations is [stdavidsnfld@gmail.com](mailto:stdavidsnfld@gmail.com) and this one is linked to our bank account and it will automatically accept all donations.**

## **Advance Notice – Annual Congregational Meeting (ACM)**

The Board and Session are looking forward to having the ACM soon. Again, depending on the situation regarding the pandemic, it will most likely be virtual. For those not able to attend virtually, if you have any thoughts on how we may receive your feedback or thoughts, please get back to the Board. Thanks and stay tuned for more information!

## **Preparing the Annual Report for the ACM**

The Annual Report is being prepared in time for the ACM. Those groups who normally have reports: the minister, Board, Session and so on have been asked to complete their reports. If you would normally do a report for your group, even though you have not been able to get together, you can always report on how your year did go and what hopes you have for this year. Please get your submissions in to Monica by April 7<sup>th</sup>.

## Our Piggies have arrived!

They are very cute but they do have a purpose!

Here's how the project works:

- Purchase one (or more) of these cute piggy banks for \$5.00 each
- Fill it with coins - all denominations will fit (even bills if folded)
- When full, remove the snout and contribute the contents to St. David's AMS, for which you will receive a charitable donation receipt
- Replace the snout .... and **REPEAT** the process .... As many times as you wish
- Piggies are available in assorted colours - Blue, Green, Pink, Purple, Red
- Purchase your Piggy(ies) **now** from the Church Office or any AMS member.

Join us in this fun activity while supporting Presbyterians Sharing and the mission endeavours of St. David's - local, national and international.

## **Food for Thought**

Food for Thought, a Bible study group for university-age / young adults, meets weekly via Zoom. Although we can't share a hot meal as we have enjoyed in the past, meeting by Zoom affords us a wonderful opportunity for fellowship with friends in Christ both far and near. New people are always welcome. Thanks to Andy Effiong for leading the discussion last week. Our next meeting is scheduled for Saturday, March 27, at 8pm. Anyone interested in participating should contact Ernst Rollmann (ernstrollmann12 at [gmail.com](mailto:ernstrollmann12@gmail.com)) for the Zoom link. Ernst can also add you to the email list for instant updates.

## **Bridges to Hope Newsletter**

Bridges to Hope means a lot to many people here at St. David's, not only members of the congregation, but also members of the different groups that meet throughout the year, such as the Good Companions. On the next two pages are the Bridges to Hope Newsletters for February and March 2021. Take note of all the activities and initiatives they have on the go and note who the Volunteer for the Month of March is!

Newsletter - February 2021

## What's New

### Renovations

In February, renovations to our building at 39 Cookstown Road will begin. Our main office will move upstairs, and once renovations are complete the pantry will move to the main building. These changes will allow hampers to be packed faster and more efficiently, and improve accessibility for our clients and volunteers.

### Reusable Bags

Since the ban on retail plastic bags came into effect in Newfoundland and Labrador in October 2020, we have been transitioning to the use of reusable bags for our hampers. We are currently accepting donations of reusable bags to support this transition.

### Hamper Delivery

Since the COVID-19 pandemic began, we have partnered with two community groups to deliver hampers to vulnerable populations in the St. John's-Metro region. Connections for Seniors is available for hamper delivery to those above the age of 65, and Local Wellness Collective—an initiative of Food First NL—is available for hamper delivery to people of any age who require assistance in accessing a food hamper.

## Coming Up...

We will soon be accepting applications for our Canada Summer Grant positions. These grants are open to youth under the age of 30. If you are interested in working with us this summer, please forward your resume to [info@bridgestohope.ca](mailto:info@bridgestohope.ca).

## In the Kitchen

Thanks to our volunteers, almost 500 loaves of bread are baked fresh every month. On Thursdays, we prepare nutritious homemade soup, and always make sure to sneak in a batch of cookies here and there. Here's a snap of our newest bread baker, Nikki!

## Programs

In November 2020 we began partnerships with two local groups. Thanks to Sharing the Harvest NL, we can now accept donations of moose meat from hunters in our province. Through Fishing for Success, we are able to distribute fresh cod fillets. These partnerships allow us to provide a healthy and local protein option for our clients, and are a step toward addressing food security in our community.

## Miracle on Cookstown Road

2020 was an unforgettable year for all of us. Yet, despite the struggle, every day at Bridges to Hope we have been fortunate to witness the miracle of kindness: Neighbours feeding Neighbours. Throughout the holiday season, your generosity gave us the means to continue providing healthy hampers to our neighbours in need. Thank you!

## Volunteer Spotlight

Angeline has been volunteering with Bridges to Hope since 2006. She packs hampers for our clients and is also a member of our Occupational Health and Safety committee. We've included a message from Angeline below. Thanks for all your hard work, Angeline!

"Over the last 15 years I have volunteered with many amazing people who, like myself, just wanted to help others. My day to volunteer has always been on a Tuesday and so the other 'Tuesday people' have become good friends. When my husband died in 2013 these friends became a continued source of support and purpose and I look forward to coming back each week. Our clients are always appreciative of what we are able to provide for them: the last couple years we've been able to expand our food selection to include wholesome things such as meat, fish, fresh vegetables, fruit, eggs, and healthy snacks for children. It is my hope that sometime in the future our province can put an end to the food insecurity that results in our growing number of clients, but I appreciate the Board, staff and other volunteers at Bridges to Hope for all their efforts to meet these needs."

## What's New

### Recycling

Did you know you can now donate your recyclables to Bridges to Hope? When you visit any Green Depot, you can donate your refund to our programs by entering our phone number, (709) 722-9225, when you drop off your containers.

### Renovations

Our renovations are moving along quickly! Our main office has now moved upstairs to 37 Cookstown Road and we are preparing to move into our new pantry in April. We look forward to our new space as it will provide efficiency resulting in lower wait times for our clients, and improve accessibility for everyone. Here are some progress photos as of March 16th:

### Coming Up..

We will soon be hiring for our Canada Summer Grant positions. These grants are open to youth under the age of 30. If you are interested in working with us this summer, please forward your resume to [info@bridgestohope.ca](mailto:info@bridgestohope.ca) and include "Canada Summer Grant" in the subject line.

## COVID-19 Updates

### Operations

As Newfoundland and Labrador entered Alert Level 5 in February, we at Bridges to Hope quickly shifted our operations to remain open for our clients. Our hours of operation remain the same and we are currently operating on a staff-only model to limit contact. A big thanks to Emily, who joined our pantry team in February to help us through Alert Level 5!

### Accessing Our Services

If you are in need of food aid, you can visit our pantry Tuesday-Friday from 10am-12:50pm with your MCP card and a piece of photo ID. If you require hamper delivery, you can call the Community Food Helpline at (709) 703-4544 or United Way's service helpline at 211 (toll-free).

### Donations

Covid-19 has presented an increase in demand for our services. Since we cannot host food donation drives at this time, we rely on your financial support to keep our pantry stocked for our clients. If you would like to donate to our Covid-19 Support Fund, please go to [bridgestohope.ca/donate](https://bridgestohope.ca/donate). Thank you for your support.

## Programming: Healthy Hampers

The mission of our Healthy Hampers program is to replace canned goods with fresh alternatives, restoring and upholding dignity by allowing access to fresh, healthy food and ensuring optimal wellness for our clients. Through this program, we provide fresh fruit and vegetables and homemade soup in every hamper, as well as healthy school snacks to approximately 250 children every month.

## Volunteer Spotlight

Lillian began volunteering with us in 2009, but was an active supporter of Bridges to Hope for years prior. For 6 years she sat on our Board of Directors as Secretary, and she is a regular volunteer on Thursdays in our pantry where she prepares food hampers. In the past she has also assisted with our Bag to School and Christmas Hamper programs, as well as a number of large-scale fundraising events. When asked what she enjoys most about volunteering at Bridges to Hope, she said:

"What I really like about Bridges To Hope is the opportunity to help those in need in such a basic way. Treating the clients in a polite, non-judgemental and respectful manner is an important aspect of the everyday operations of the Food Pantry which sits well with me. Bridges To Hope is dear to my heart and I take every opportunity to promote it!"

Thanks so much for your hard work and dedication, Lillian. We look forward to seeing you--and all of our volunteers--again when it is safe to do so!

## **Birthdays and Anniversaries and Graduations**

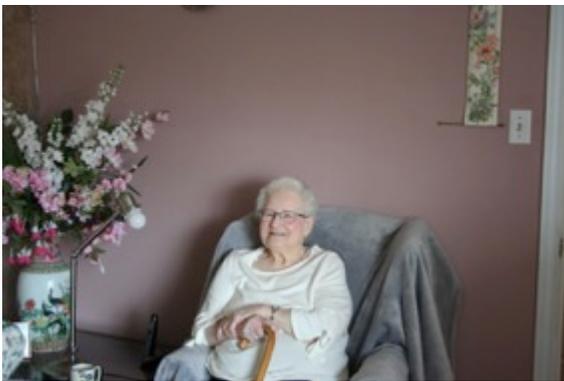

Happy Birthday greetings to a very special friend to many here at St. David's, Sheena Findlay, who will be celebrating her special day on March 29<sup>th</sup>. Sheena has been a faithful and much loved member of St. David's for many years and continues to offer her insight, gentle guidance and support to many of us through one-on-one chats or through group activities. Sheena was an Elder for many years and continues to be involved with the WMS, actively participating in the group's missionary and spiritual initiatives. Sheena is an avid supporter and organizer for the weekly Bible Study group and always encourages thought provoking discussion. And let's not forget all the times she helps out with after-Church Coffee Time. Needless to say, Sheena is an important member of our St. David's family! Love and best wishes Sheena from everyone here at St. David's! Have a wonderful day!

Happy Birthday wishes go out to Max Burness who will be celebrating his 16<sup>th</sup> birthday on March 29<sup>th</sup> along with his mom and dad, Heather and Brad Burness, his sister, Sophie, and proud grandmother, Edith Peach. We wish Max a wonderful day spent with family and friends!

Sylvia and Dave Hudson have a very happy announcement to share. Their second great-grandson, Daley Patrick Johnson, was born on March 15<sup>th</sup>, 2021. Daley is the second son for Samantha and Cecil Johnson (Samantha is Sylvia and Dave's grand-daughter) and a little brother for Leo. Congratulations to all the Hudson and Johnson families!

## Correction!

Apologies for getting Bouwina's birthday wrong in last week's bulletin. I incorrectly said that Bouwina's birthday was on March 24<sup>th</sup> when in fact it was on **March 25<sup>th</sup>**!! As usual, Bouwina was very gracious about the mistake and took it all in good fun. Monica and I dropped by on the 24<sup>th</sup> to wish her a Happy Birthday and we were in luck! It was almost like a dress-rehearsal for the real day. We had a lovely chat (socially-distanced of course), saw her beautiful flowers (gifts from family and friends), got to sing Happy Birthday to her, and even got the first pieces of cake (including the coveted corner piece!), thoughtfully provided by Frank, her son. Just goes to show that you can never have too many birthdays!!

### **News from the Pews**

#### **Correct Link for John Jones Reference**

Last week, we included a note from Bob Taylor about the trivia question regarding John Jones. The link for some reason (undoubtedly a user issue – me!) was truncated. The link took you to the homepage of the Dictionary of Canadian Biography, which may come in handy for some other research. The correct link that takes you directly to the John Jones biography is as follows: <http://www.biographi.ca/en/bio.php?Bioid=36100>

## **News from Dini**

Last week, I sent a long-overdue Email to Dini just to say that we were thinking of her and that we hoped she was well and staying safe and sound. It was wonderful to hear from her and I'd like to share part of her Email.

*St. David's is still very much on my mind and hearing about it is very welcome. ...*

*I have had my first Covid jab, and will have the second in April. It will be so good to see more people face to face. Here in Alberta those 75 and older got the vaccine starting last week. ...*

*A lot of my friends live in the same area as I do so that makes it easy to drive to them. I am spreading my wings a bit more though, this city is so big!*

*Lori-Kim and family are doing well, they do have their challenges with schooling but they are home together. LK is the church office administrator in their church. Since Benjamin is doing a private high school on line she has more time and this was a job she was asked to apply for.*

*I love my condo, the people are very friendly, it is quiet and close to the river valley for walks. The best part is that I have underground parking so I always get into a warm clean car!*

*Best wishes and greetings to you and all St. David's friends.*

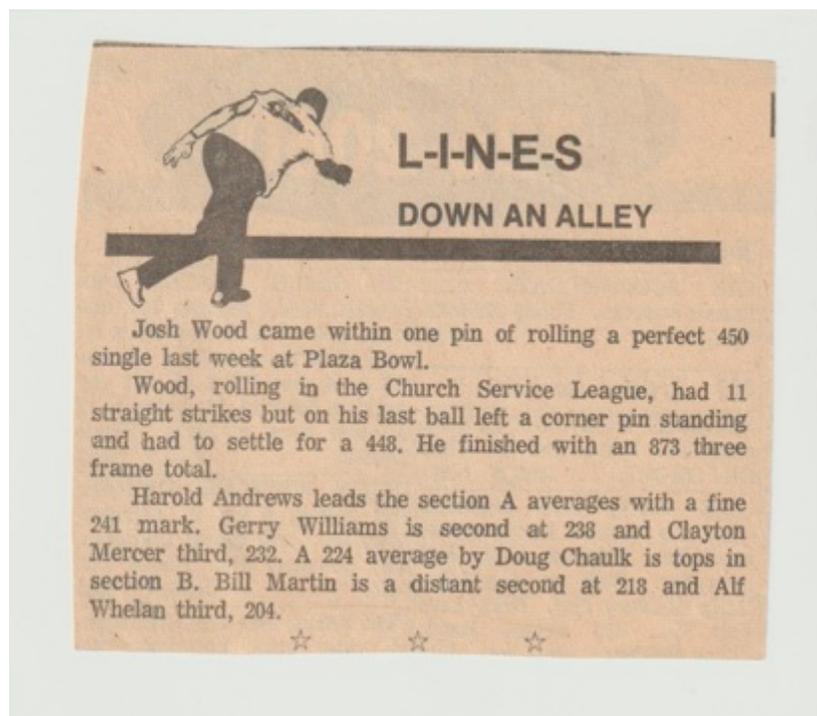

*Dini*

## Church Bowling League – Part II

As I mentioned in last week's bulletin, Joss Wood, was one fantastic bowler. Having said that, you might have wondered why his name did not appear on the St. David's trophy (1966-67). Well, it turns out that our trophy was awarded to the "Section B Champs". Joss was in Section A. According to Scott Bennett (current Secretary) and Jerry Williams (current Statistician) of the Church Bowling League, Section A was the "elite" bowlers.

Unfortunately, many of the records and statistics from the early years of the League were lost or inadvertently destroyed. Joss has a couple of items of interest though – one is a newspaper clipping from 1969 (perhaps 1970) and the other is a copy of the 65<sup>th</sup> Annual Awards Program (May 27, 2011).

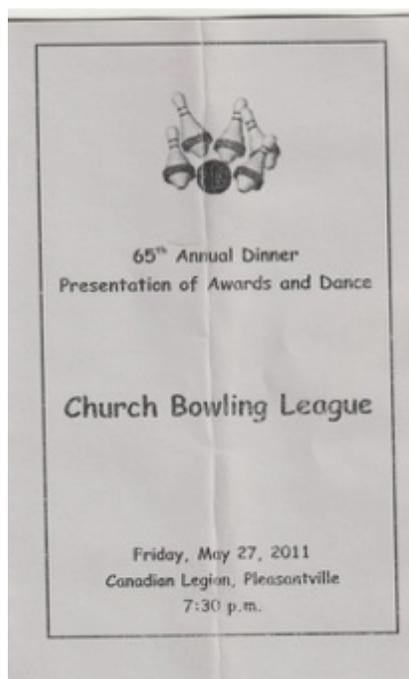

For the bowlers out there, you know that a perfect score is 450, requiring 12 consecutive strikes bowled in the same game without fouling. Joss bowled a 448!

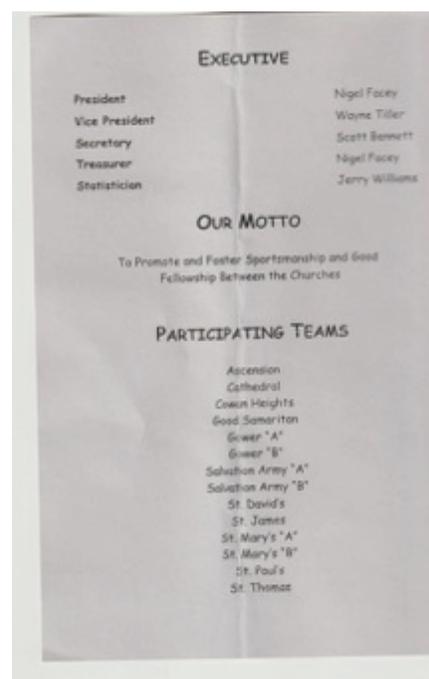

Newspaper Article on Joss's High Score

Up to 2011, only 2 people in the League got a 450 – Jerry Williams in '80-'81 and Herbert Bartlett in '47-'48 - and only one other bowler reached 448 - Ray Benson in '89-'90. Congratulations Joss!!

Below are the pages from the Awards Night Booklet from 2011 – the 65<sup>th</sup> year for the Church Bowling League. Do you recognize any names below?

Bowling League Booklet #8

Even though the Bowling League today looks very much as it did years ago and the fellowship and friendship is just as strong as ever, some things have changed. There are no trophies given out anymore. Instead, gift cards and monetary awards are presented to the top players and teams. There is a special “turkey bowl” just before Christmas and generally speaking everyone comes away from that with a “gift”! (Even the lowest scores get a Cornish hen!) The closing Awards Night and Dinner and Dance is still the main event for the year and is held in May.

As for the St. David’s Team... well, our name is still there and according to Scott there are three full time players: George Williams, Wayne Tiller, Byron Stacey and one spare player (name unknown).

So the next time you see the bowling trophy in the Church Hall, remember, there are some great stories to go with it.

Many thanks to Scott Bennett, Secretary, and Jerry Williams, Statistician, from the Church Bowling League and of course to Joss!

## Archival Moment

Last week we showed some pictures from the March 15, 2018 St. Paddy's Day – Good Companions dinner. This week, we share some of the pictures of the “WA Worker Bees” that made it all happen!

## Church Trivia Questions

### Way back when:

**Last week the question was:** After the Great Fire of 1892, the Queen's Road Church was re-built. The basement was the first part completed. How big was that basement? People-wise!

**The answer is:** Big! On March 4, 1894, the new basement, "a finely finished and spacious room capably and comfortably seating 700 people" and in G. Ward Siddall's opinion "the finest basement in the city" was officially opened.

**This week the question is:** The Rev. G. Ward Siddall and his wife gave the congregation a present for the church on March 4<sup>th</sup> 1894. What was it?

### Recent History:

**Last week the question was:** One of our current members was treasurer of our church during the time of its move from Queen's Road to Elizabeth Ave. Who is this person?

**The answer is:** Mr. James Steele, who served as treasurer for several years.

**This week the question is:** With the move to Elizabeth Ave the church looked for a manse nearby. Our manse on Bideford Place, had previously been owned by a well-known local personage. Who was that person?
