## **Mission Moment Sunday, April 17**

In Afghanistan, an excited Salma had just passed Grade 4, but Salma's father didn't want her to continue her education because the school was too far away.

When a meeting with the school didn't change his mind, community and religious leaders involved with a girls' education project visited Salma's parents.

**They explained the importance of education for girls from both**

**human rights and religious perspectives. After a few hours of discussion, Salma received permission to return to school.**

Unfortunately, the current political situation in Afghanistan means many children are faced with uncertainty about their futures, particularly girls. This education project is supported by Presbyterian World Service & Development.

From St. David's Auxiliary (Atlantic Mission Society)

We pray for peace and hope for the people in Afghanistan. Bring bread for those who are hungry, bring healing for those who do not have access to healthcare and bring warm homes to all who have been displaced. May they find peace, strength and resources to rebuild their lives and country.

## Message From the Minister

Easter is coming! For so many families like mine, that means the kids are getting excited to sing Easter hymns, participate in bonus church services during the week, and fast as we wait for Jesus to rise again. Just kidding. Like children everywhere, my kids are most excited about one thing: chocolate.

So how can we turn the great chocolate egg hunt into a moment to learn about Christ? Well, there's a few ways! Firstly, the egg is a sign of new life, like the new life that Jesus offers us. At our home, we've blown out a few eggs to paint the eggshells, and the empty eggs that still look unbroken can remind us of the surprise of the empty tomb. Inside the eggs is the sweet chocol-

ate, like the good news of the resurrection, and like Mary, my kids love to come running and say "GUESS WHAT I FOUND!"

Easter is a celebration of God's love for us breaking all the rules. In Jesus Christ, God loved us even when we didn't deserve it, more than we could ever earn. So maybe the most important way that our egg hunt will be like Easter is just in the uniqueness of the unearned treat, the abundance that is there for those who will just seek it, the sweet gift that is enough to share.

May you share that spirit with those in your life this Easter season. Whether you are hiding eggs or just eating them yourself, whether you are sitting at a family dinner or just on the Zoom call, this is a time for celebration and sharing. May the Spirit surprise you today with the same joy that came to Mary in the Garden. The sweetest gifts may be hidden from your sight, but like Jesus said, "seek, and ye shall find." Happy Easter, and God bless you all!

*-Rev. David*

### **Getting the Service and Bulletin using our website**

This bulletin is placed on our website as soon as the Rollmann family receives a copy on Friday morning. The website is **stdavids.nf.ca** and if you type this in as your search, our website will be right there. At the top of the main page is a “Sunday Service” which will take you to this week’s service link and bulletin. Since our Sunday services are now live-streamed, the link is already posted so people can experience the Sunday service at home live beginning at 11 am on Sunday. If you click on Video Service for April 17<sup>th</sup> you will see the screen and the note: live in “a number” of hours. After the fact, you can see the YouTube video of the service. If you would like to catch up on previous services all are available, simply scroll through the services and choose the Sunday service or bulletin that you would like to see or read.

**Can We Help?** Do you need help with any small jobs around the house or garden? Do you need any help getting groceries perhaps? Or maybe you would just like to have a chat with an elder? If so, give the church a call at 722-2382 or email us at [stdavids@nfld.com](mailto:stdavids@nfld.com) and we’ll see what we can do to help.

### **Treasurer’s Notes**

I'd like to thank everyone who continues to donate to St. David's through your envelopes on Sunday mornings, by e-transfers, or through your monthly PAD contributions. Thanks also to the elders and friends who happily and gladly pick-up envelopes from those not able to get out and help by dropping them off at the church office.

**By the way, the sole email address we are using to accept donations is [stdavidsnfld@gmail.com](mailto:stdavidsnfld@gmail.com) and this one is linked to our bank account and it will automatically accept all donations.**

## **Bridges to Hope**

In recent weeks, there has been a noticeable increase in new clients at Bridges To Hope, made up mainly of working people and international students. There has also been an increase in the number of hampers being prepared for delivery to seniors who cannot leave their home due to illness, transportation barriers, impaired mobility, and other challenges.

The demand for assistance does not diminish! Now, more than ever, your help is needed!

Now that we can worship in person, please remember to bring non-perishable food items to church and place them on the Food Trolley which will be at the entrance to the Sanctuary.

We will continue to print in our bulletin weekly “specials” from the various flyers of grocery/personal care items which are always in demand and useful to BTH clients.

If you wish, items can be dropped off at the church during the week; there is generally someone there, Tuesday to Friday, 10:00 AM. to 2:00 P. M.

Thank you for your continuing support – it is greatly appreciated.

### From the Archives

This week we have another picture from the 1997 Flipper Dinner. This is a great picture of more of the “worker bees” – (from left to right) Pearle Clouston, unknown, Millie Hammond and Darlene Thompson. Does anyone know our mystery person? Thanks Pam for this picture from the archives!

## **Church Trivia Questions Way back when:**

**Last week the question was:** What minister arrived in 1857 and had a reputation as a great lecturer?

**The answer is:** Charles Pedley gained a reputation for his sermons and his lectures. On a November 1857 Sabbath he preached two sermons and an afternoon prayer meeting devoted to the Indian Mutiny. The *Public Ledger* advertised sermons on topics ranging from the laying of the Atlantic Cable, the death of General Havelock, the death of Prince Albert, along with the suppression of the Indian Mutiny.

**This week the question is:** What other activities did he undertake while here?

## **Recent History:**

**Last week the question was:** What were the names of the two previous church administrators? Hint – each one served roughly fifteen years.

**The answer is:** Monica McNeill was our most recent administrator and Judy Woolridge was in the office prior to that.

**This week the question is:** What plants are scattered around the church and what kind of plants are they? Hint – plastic ones do not count!
