Mission Moment – Sunday, June 12

In the aftermath of a devastating earthquake that struck Haiti in August 2021, Presbyterian World Service & Development responded through the ACT Alliance. The emergency response supported 400 families in rebuilding their homes. This response was modelled after successful rebuilding projects following Hurricane Matthew in 2016. In addition, non-food items, including shelter and hygiene kits, were provided for 1,500 families, nutritious food for 1,300 families and agricultural support and supplies for 500 farmers. Community leaders and local volunteers also learned about community-based humanitarian action when confronting a crisis. This knowledge sharing is meant to ensure that when future disasters happen, communities will know how to implement an effective response.

From St. David's Auxiliary (Atlantic Mission Society)

Great Comforter, we remember in prayer the people of Haiti, who have withstood countless natural disasters, including earthquakes and hurricanes. May they experience healing from the trauma suffered from these events. Amen.

Prayer No. 5 – Taken from OVERFLOWING - Prayers for a More Sustainable, Compassionate and Just World, published in recognition of PWS&D's 75th anniversary!

Prayer Partnership: The Presbyterian Church in Canada offers a prayer partnership that may form part of a daily devotional, please consider these prayer partnerships.

Sunday, June 12 (Trinity Sunday) God Almighty, Creator of all things, build your kingdom among us. Jesus Christ, son of the living God, give us your grace. Holy Spirit, breath of the living God, renew all things. Let us serve you willingly and joyfully to the benefit of each other, to share one faith and respond to your calling.

Monday, June 13 We pray for people in Haiti who are mourning the loss of lives and the devastation of homes and communities following the earthquake that struck the country in August 2021.

Tuesday, June 14 We pray for the staff and volunteers of Boarding Homes Ministry in Toronto, Ontario, a community-based mental health ministry that runs a home visiting program and offers mental health inclusion education.

Wednesday, June 15 We pray for colleague covenant groups and clergy support groups as they support one another and develop healthy perspectives on themselves and their ministries.

Thursday, June 16 We pray for the people who gather and serve at Hummingbird Ministries in Vancouver, British Columbia, and we give thanks for their mission and ministry.

Friday, June 17 We give thanks and pray for congregations and community groups that are welcoming and offering hospitality to refugees.

Saturday, June 18 We give thanks and pray for peer workers at Evangel Hall Mission in Toronto, Ontario, as they strive to inspire and give hope to people struggling with mental health and addictions.

Message from the Minister:

Refuge • Peace • Strength

2022 GENERAL ASSEMBLY

I spent a good deal of my time this week on a three hundred person Zoom call. This was the meeting of the Presbyterian General Assembly, where Presbyterians from all across Canada meet to decide official church policy, hear reports from our agencies, and worship together. There were parts that were uplifting and powerful for many people, such as a confession of the harm our church has done to LGBTQ people and communities (link below), a joyful variety of music from across the country, and stories of mission in Canada and abroad.

But I must confess I left Assembly feeling a bit sad. The dominating issue at this assembly was how upset the more conservative communities in our midst were at our recent adoption of two parallel definitions of marriage (In the Presbyterian Church in Canada, we recognize that good Christians can faithfully believe that marriage is between two people and also that good Christians can faithfully believe that marriage is between a man and a woman.) Notably, this upset group includes an overwhelming majority of the "visible minority" congregations in our church; Koreans, Africans, Eastern Europeans, etc. As we seek to welcome one diverse group of people in our church, another group threatens to pack their bags.

It is, to put it simply, a mess. What saddens me most is the sense that we are celebrating a thirty-year-old victory while falling ill with a modern disease. Same-sex marriage has been a reality in our country for decades, and our acceptance of it only last year isn't really news worth celebrating to anybody! The modern problem, to my eyes, is polarization. It is the split of our world into Us and Them, Conservatives and Liberals, the Right and the Wrong. This is like a new form of the Jews and Gentiles mindset that the early church worked so hard to break down!

In my opinion, we as the church could better show the world who Jesus is by fighting this deep divide rather than debating the nature of holy marriage. Conservatives and Liberals alike, we embarrass ourselves when we care more about being, saying and doing the "right" things rather than being willing to be, look, and do something "wrong" for the sake of restoring our

broken relationship with our brothers and sisters in Christ. Jesus ate with sinners, showing scandalous support for their lifestyle. He spoke privately with a woman at a romantic well, a gross impropriety at the time. He broke Sabbath laws regularly to heal and feed people.

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." (John 3:16)

God treated an unholy world full of sinners with love. He did not demand we clean up our act first. He did not tell us to live godly lives first. He did not tell us to stop being bigoted, vengeful, or cruel before he would associate with us, help us, or bless us. He loved us first. Although some listened to what he had to say, this was no fairy tale ending; he died on our cross for that love. That was the way of Christ.

"By this everyone will know that you are my disciples, if you love one another." (John 13:35)

May we care for each other as God's beloved children. May we define ourselves by what unites us, not by what divides us. May we be a beacon of unity in a world of division. May they know we are Christians by our love. Amen.

Annual Congregational Meeting (ACM)

Last week the ACM took place on Sunday afternoon. Before the meeting we had a light lunch of sandwiches, finger food and desserts. Thanks to everyone who contributed those goodies. During the meeting we discussed the activities of the various church groups over the past year, we passed the Review Engagement Report containing the church's audited Financial Statements for 2021 and we passed the Budget for 2022. In the coming weeks we will discuss some of the items and may look for your input.

Treasurers Notes

The 2022 Budget was approved at the ACM and contained both high-level and details of our revenues and expenses. We are projecting another deficit budget, therefore I will report on our financial status or highlight extraordinary items.

At the ACM it was proposed that PAD donations be increased by 5% to help cover this year's deficit. While a letter will be going out to those who contribute via the PAD, I'd also like to encourage those who donate using church envelopes on Sundays or by e-transfers to increase their donations as they are able to do so.

How can you donate monthly by PAD? Simply email the church and we will put you in touch with Ian Bruneau, our Envelope Secretary. He will answer any questions you may have. Alternately, you can donate via e-transfer to stdavidsnfld@gmail.com. Using your bank's comment section, you can specify information like your envelope number and how you would like your money distributed; to Current, Presbyterian Sharing, or any of our outreach programs. You may also donate through Canada Helps. You may also mail your donation, drop it off at the church, or call the church and someone would be pleased to pick it up for you. As treasurer I'd certainly like to thank everyone who continues to donate to St. David's through your envelopes on Sunday mornings, by e-transfers, or through your monthly PAD contributions.

The sole email address we are using to accept donations is through stdavidsnfld@gmail.com and it is linked to our bank account and it automatically accept all donations.

From the Church Office

If you have any announcements for the weekly bulletin, please reach out to me either by phone or email before the end of day on Thursdays. I will do my very best to get your announcement in the bulletin for the Friday afternoon email distribution.

Upcoming Activities

Church Picnic:

The annual Church Picnic with St. Andrews is scheduled for 11 am this Sunday. June 12th, 2022, at Rotary Chalet on Thorburn Road. Should the weather not cooperate, we will meet and eat inside the Chalet.

As host this year St. David's is providing the side dishes and desserts, St. Andrews will provide the BBQ items, the hamburgers, buns and condiments. Please be sure to bring your own cutlery, dishes, and a folding chair should the weather allow the outdoor service.

WA Bake-less Bake Sale

The WA has sent out letters to the ladies of the congregation asking for donations (money) for a bake-less bake sale. When these are returned, they will be recorded with the weekly offerings and all monies will be passed along to the WA. All donations will be issued tax receipts at the end of the year.

On-going Activities

Muffin Making

We will soon start making muffins for Bridges To Hope (BTH) again. Once a month, usually on a Monday morning, muffins are made and packaged for distribution in the BTH food hampers. This is not a labour-intensive project, it takes three people less than three hours starting around 9am. All the ingredients are supplied. If you are interested in participating some month, please contact our Administrator, Heather, at 722-2382. It's actually great fun and you may get to taste one!

Re-cycling

Reduce Reuse Recycle! Yes, St. David's still has an account with Evergreen Recycling! If you would like to donate the proceeds of your recyclables, just enter the Church phone number 722-2382 when you are making a drop-off. Our account will automatically be credited.

Church Service and Coffee Hour

While masks are no longer mandatory, we encourage you to wear a mask while in church. We welcome everyone back to church and to the Sunday Coffee Hour after church. The services will continue to be streamed live over Zoom and placed on YouTube for later viewing. We look forward to seeing those we haven't seen for a long time!

Getting the Service and Bulletin using our website

This bulletin is placed on our website on Fridays after the weekly bulletin is mailed to the congregation. Our website is stdavids.nf.ca, navigate to the "Sunday Service" which contains this newsletter, the order of service and the YouTube video link.

St. David's Weekly Food Drive for Bridges to Hope (BTH)

In recent weeks, there has been a noticeable increase in new clients at BTH, made up mainly of working people and international students. There has also been an increase in the number of hampers being prepared for delivery to seniors who cannot leave their home due to illness, transportation barriers, impaired mobility, and other challenges.

The demand for assistance does not diminish! Now, more than ever, your help is needed!

Now that we are worshiping in person, please remember to bring non-perishable food items to church and place them on the Food Trolley which will be at the entrance to the Sanctuary.

We will continue to print in our bulletin weekly "specials" from the various flyers of grocery/personal care items which are always in demand and useful to BTH clients.

If you wish, items can be dropped off at the church during the week, any time Monday through Friday from 9 am to 1 pm.

Thank you for your continuing support – it is greatly appreciated.

Anne's New Chicks Celebrate her Birthday

As many of you know by now, Anne has 8 new chicks to add to her existing flock. They are very active – eating, drinking and chirping – and growing daily. They are very social and always ready for a “party”, so with Anne celebrating her birthday this past week, the chicks had to join the festivities and wish her a Happy Birthday – with a cake!

(OK, only joking..... we placed a picture of a birthday cake over the chicks' water bowl!)

Prayer Shawl Get-together

The Prayer Shawl (Knitter's) group met on Tuesday, June 7th for the last time until September. As always, there was lots of chatter and laughter as the needles clicked. It's always a treat when the Sturtevant family joins us and on Tuesday, we put David to work helping Mary and Eleanor untangle some wool! We were all enchanted by Orson's socks – they jingled when he walked! This eventually led to pictures of socks and leggings. Obviously, our knitters are very fashion conscious! Check out some of the pictures below. See everyone in September and happy knitting!

Archival Moment

This week, we have another great picture of some of the members of the CGIT Group – Canadian Girls in Training. It is from February 1966 and it shows the group members on another visit to the children's ward in the hospital. Thank-you Pam for another wonderful archival picture! (We are not sure who is in the picture. Perhaps Debbie Rogers, Anne Calver, Margo Thistle?? Do you know anyone else? If so, let us know.)

Church Trivia Questions

Way back when:

Last week the question was: Where were the missions that stretched around island?

The answer is: The missions were in Fortune Bay, Random Island and the district around Fogo.

This week the question is: For a time, there were much closer missions run by the minister out of St. John's at such places as Quidi Vidi, Portugal Cove, and Torbay. Why were they discontinued?

Recent History:

Last week the question was: Speaking ministers, of our thirty-four, whose picture is NOT on the wall in the Armour Room?

The answer is: Rev. Dr. Jonathan Dent's picture is missing and I hope we can get a picture of him to add to the collection.

This week the question is: Back in the late 1940's (possibly "old" recent history) which minister did all the ladies "love"?
