## **Mission Moment – Sunday, July 3rd**

Millions of people are in need of humanitarian assistance due to the Russian invasion of Ukraine. Larysa, her husband and her daughter escaped Kharkiv after spending four nights in the basement of their home due to bombings in the city. “Everyone wanted to travel out of Kharkiv. There were many people at the train station,” shared Larysa. The family found shelter in a refugee centre supported by the ACT Alliance. “We are happy to have a place to sleep and where it is warm. It is safe here. I am glad our children are alive.” Presbyterian World Service & Development is supporting Hungarian Interchurch Aid with an appeal issued by the ACT Alliance to provide emergency food assistance, essential non-food aid, health care and emotional support to refugees and internally displaced people.

## **From St. David's Auxiliary (Atlantic Mission Society)**

## Message from the Minister:

Last week, my family loaded into our car on Friday evening and drove out to Grand Falls Windsor a day earlier than I usually do, to give us some time to explore a little bit on the Saturday before church and the drive home on Sunday. One of the attractions we visited was the Salmonid Interpretation Centre, complete with fish ladder and observation window so we could watch salmon of all sizes make their way up the man-made bypass past the Grand Falls themselves. The guides there told us that although there were a few dozen salmon at a time in the observation section, during the peak season in July there are hundreds of fish in the same area and the show they make jumping up the ladder is even more spectacular.

It's also a wonderful place to visit because it is a success story. This fish ladder is a man-made intervention, and has allowed these atlantic salmon access to a huge system of rivers and lakes that were previously unreachable due to the height of the falls. This new habitat has made a big difference for the fish: their numbers are more than ten times higher now than they were when the ladder was built. What a blessing it is here in Newfoundland to hear stories of fish populations increasing!

*"[the jailer] put [Paul and Silas] in the inner cell and fastened their feet in the stocks. About midnight Paul and Silas were praying and singing hymns to God, and the other prisoners were listening to them." (Acts 16:24-25)*

Our faith often helps us to find Good News even when so much of the news is bad. Paul and Silas sang joyfully even after being beaten and jailed, and there was power in that worship. May we not forget that there is always something to celebrate. Our faith boldly proclaims that the bad news will not last, and the good news will. Hallelujah, and Amen.

## St. David's Church Announcements

### Memorial Day – July 1<sup>st</sup>

July 1<sup>st</sup> is a very important day for this Province. It is a day when we remember the devastating loss of Beaumont Hamel and all those who lost their lives during World War I. It's also a time to reflect on what a great country we live in and the sacrifices many have made throughout the years so that we can enjoy the freedoms we often take for granted.

There are many in our congregation who we remember today:

Edward Barnes	Lancelot Keeping	H. Gordon Thomas
George Cowan	George Langmead	James Watts
Lionel Duley	Henry Noonan	Wesley Watts
Charles Frost	Melville Russell	Alec White
	Owen Steele	

## **Condolences – Jim Steele**

We are heartbroken to announce the passing of James Harris Steele on June 29<sup>th</sup>, 2022. For many of us, Jim was everything St. David's stood for. He was part of our long history – from the Queen's Road Congregational Church, through the turbulent times of joining the Presbyterian Church of Canada, from moving the congregation to Elizabeth Avenue through the building of a new Church in the middle of nowhere – Jim was there with steadfast faith. Our rock.

Jim had many roles through his 97+ years – husband, father, respected business man, WWII veteran, Sunday school teacher, Treasurer, Elder – just to name a few. He was a mentor to many of us on Session – always thoughtful, understanding and willing to listen. He loved history and books and provided countless documents and papers – all little treasures – to the St. David's archives. He loved plants and nature and we will always remember his delight in taking part in the annual plant sale. He found great joy in our Church music – organ, piano, choir, instrumental - and of course, many of us got to know Jim, the carpet bowler extraordinaire, in the Good Companions group! How he delighted in making those impossible shots for his team, especially when it was the last shot of the day!

There are so many memories to hold in our hearts and to share with his family, and each other, over the next days and weeks. How blessed are we that Jim was a part of our lives. We are very grateful for that.

Our thoughts and prayers are with Heather and David and their families. We hope they know that their St. David's family will be there for them and will help them every step of the way.

(Funeral arrangements will be handled by Carnell's with details to follow. It is expected to be held in the last week of July, to give family time to travel.)

## **From the Pews**

### **John Chol – Update**

Below is a note from John Chol on how his extended family is doing. It arrived just a few days ago via Steve Bruneau....

*I have come to Arua town today and will fly to Kampala-Nairobi tomorrow-then renew the ticket to Canada. Kids got their ration cards, moved to their local compounds, received their rations, had registered in school, and started their normal classes on Friday, June 24, 2022. Additionally, the older kids got one dose on Saturday, June 25 for Covid-19 as required. Thank you for everything.*

### **Penny's Great Birthday Present**

*Where did all these years go?*

*Suddenly this June, I celebrated being seventy. And was really happy to have no big fuss or party but just a few days before my birthday our eldest daughter Joanna and her three girls, Sarah, Katie and Jordan made a surprise visit from Smithers BC! They have not been home for many years so this was the icing on the cake and I think I have been smiling from ear to ear ever since.*

*As you know the weather was warm this June with sunny blue skies perfect for our outdoorsy family activities. We spent time at our cabin with swimming and kayaking everyday. Picnics on the top of Butterpot Hill and along the East Coast Trail were popular.*

*The girls loved the ocean and spent happy hours searching for sea urchins, rocks and crabs in rocky pools in Brigus. And they loved skimming rocks and tossing sticks for Cleo dog into the sea at Holyrood.*

*We also spent time exploring Signal Hill and Cabot Tower with a visit to the Geo Centre and of course with any visit food is all important! Cod was on the menu and sea food chowder with one day cooking lobster outdoors and despite being allergic to shellfish Jordan was in the thick of it when it came to cooking them.*

*One evening after hiking from Maddox Cove to Cape Spear sleeves were rolled up with Chinese dumplings on the menu for dinner and we were told to relax! This is very popular with our granddaughters as they worked for several hours making the dough, fillings and sauces whilst the kitchen became a hive of activity and tantalizing smells.*

*It was a wonderful visit after all the restrictions and times missed with friends and family but now they have gone home to see their Dad Gordon who had to work at the hospital, look after the dogs and as they say in Scotland it's back to "old clothes and eating porridge again!"*

*But wait a minute the Berlin family, and daughter form Toronto will arrive next week.*

## From the Archives

Summertime is the time for weddings and back on July 3, 1944 a beautiful wedding took place at the Queen's Road Congregational Church at 7:00 pm. The bride was Elizabeth Mary Danson and the groom, Archibald David Grant. The organist was Jessie Barnes, the soloist is unknown and Horatio Todd, Chaplain, R.C.N., officiated. The choir also sang at the wedding:

First Row: Vi Parsons, Doris Barter, Shirley MacKay, Marion Wiseman, Bessie Thomas, Ethel Cahill, Barbara Rose.

Back Row: Winnie Pottle, June Barter, Daphne Rose, Betty (Lizzie) (Hutchings) Hodder, Edna Chancey.

A little note with the picture explained that Elizabeth's (Betty's) father had a little store on the corner of Bates Hill and Duckworth Street almost opposite to the steps going down to Beck's Cove and Bowrings!

Thanks Pam for yet another wonderful picture from the archives!

## Church Trivia Questions

### Way back when:

**Last week the question was:** What minister was most ambitious about missions and visiting them?

**The answer is:** The Rev. Thomas Hall visited several missions throughout his time in St. John's. He visited Random Island area in 1871 and again in 1872, 1874, and 1879. In 1878 he visited the Twillingate mission and may also have dropped by Random Island on his way.

**This week the question is:** Which member of a long-time church family served as a teacher in Twillingate?

### Recent History:

**Last week the question was:** Who started the Good Companions group and when did it start?

**The answer is:** The Good Companions started some thirty years ago when a couple of ladies, Claire Martin and Barbara Ellis' mother in law got together for an afternoon tea and decided that there was a need for a seniors group, and the Good Companions was born. In 1996 some of the members were: Harriet Byars, Murdock Hunter, Connie and Ken Calcutt, Lily Storey, George Finney, Dorothy Whittick, Wilson Gamble, Jim and Frances Steele, Cyril Barnes, and Sheelagh Gamble.

**This week the question is:** What activity for the local community caused a participant's mother to exclaim "I didn't know Christians were so nice!"?
