Mission Moment – Sunday, October 16

In Pakistan, after repeated and prolonged droughts, Rano and her husband, Jeevo, were left with land that was unable to produce a harvest. As they were contending with worries about how they would feed their family, the situation turned worse when Jeevo's mother died, and they had to take on significant debt in order to pay for the funeral expenses. Jeevo went to Karachi to work, while Rano purchased food and necessities for the family on credit. Unfortunately, Jeevo's earnings were only enough to pay their debt and nothing else. Things finally improved when Rano and Jeevo's family were selected to be part of a Presbyterian World Service & Development (PWS&D) food assistance project, where they received food packages of oil, wheat, rice, sugar, tea and salt. **As a church, our Christian response to hunger is put into action through PWS&D and Canadian Foodgrains Bank.**

From St. David's Auxiliary (Atlantic Mission Society)

We are thankful for the support and blessings of all those who have helped us in our most challenging times this last year and before. We ask your blessing on all those who have lost their homes, their livelihoods, their security and their hope in the times of recurrent disasters in Pakistan. Help us to respond with generosity in prayer, in assistance, in aid to the best of our abilities.

Prayer No. 43 – Taken from OVERFLOWING - Prayers for a More Sustainable, Compassionate and Just World, published in recognition of PWS&D's 75th anniversary!

Minister's Message

Oliver at the McDonalds Play Place. Can you find him?

Hint: all you can see is part of his leg, with a black sock on his foot.

(Mark 6:30-32) "The apostles gathered around Jesus and reported to him all they had done and taught. Then, because so many people were coming and going that they did not even have a chance to eat, he said to them, "Come with me by yourselves to a quiet place and get some rest." So they went away by themselves in a boat to a solitary place."

This week, I gave Michelle a break one morning and took the boys to McDonalds all by myself for breakfast. Of course, I ended up sitting by myself eating my sandwich and drinking my coffee, because as soon as they saw the tubes and tunnels in the play room, they were suddenly not hungry anymore. There was no-one else in there, so I had a very pleasant morning enjoying a leisurely meal while I kept an ear open for cries of trouble that never came. With such active kids, rest is a precious and rare commodity. It can be easy for us to forget the importance of rest. Far too often, we buy into the modern idea that rest is, at best, an inconvenience we must endure when we've reached our limits. But that isn't the picture that scripture paints! It's not an accident that the creation story in Genesis 1 has God Almighty rest on the seventh day of creation. It isn't weakness that leads Jesus away from the crowds to pray! Rest helps us gain perspective, energize, connect with God, give thanks, notice our blessings and grow wise to the temptations we face.

May you set aside time to find rest this week. Whether it is an evening with a good book and a cup of tea, a morning coffee on a park bench, or a walk around the pond, may you make time to get out of your head, set your worries aside for a moment, and rest. It's in those moments of rest that we are most open to being warmed by God's love, and that Good News is always worth a few minutes of your day.

Information from the Treasurer

Fiscal Updates

Over the next couple of weeks, you'll read some of the challenges this church now faces and some of the things we can all do to help.

If you look at this week's trivia questions and wait a week for the answers, you'll see how we fared with money management projects in the past.

You have all heard the quickly changing price of gas and in our case the cost of heating oil. St. David's has a flat rate monthly charge based on our previous usage history. That works out well, because on the first of November each year I get solid information for the budget. Last year that cost was set at \$1,535 per month. This year while we burned about the same amount of oil, the price moved up and down through the year. If, at the end of the year we burned more than was expected or the prices rose higher than expected, we must cover the difference. This year that will be around \$3,450.

Several years ago we were paying \$1,830 a month. So we did something. We set the thermostats to only come on when that space was being used. By the end of the year we were under budget and our monthly price dropped for the following year.

There's not much we can do about the price of oil, we can control how we use it. And that's what we've been doing.

My Thanks

As treasurer I'd certainly like to thank everyone who continues to donate to St. David's through your envelopes on Sunday mornings, by e-transfers, or through your monthly PAD contributions.

If you would like to donate monthly by PAD, contact the church and we will put you in touch with Ian Bruneau, our Envelope Secretary.

He will answer any questions you may have. Alternately, you can donate via e-transfer to stdavidsnfld@gmail.com. Using your bank's comment section, you can specify information like your envelope number and how you would like your money distributed; to Current, Presbyterian Sharing, or any of our outreach programs. We accept donations through Canada Helps, via Canada Post, or you may drop it off at the church, or call the church and someone would be pleased to pick it up for you.

The sole email address we are using to accept donations is through stdavidsnfld@gmail.com . It is linked to our bank account and automatically accepts all donations.

Thanksgiving Feast – Rollman's

We had a great note from Marcella Rollman this week with news about her gardening endeavours this past summer. It culminated in a wonderful Thanksgiving Feast as you'll see from the picture below. It's always great to hear from the Marcella because she is so keen about her garden and everything she grows. Her enthusiasm is encouraging for all the gardeners out there! Here is some of her letter...

We enjoyed daily green salads, tomatoes, and cucumbers for months. We still have peppers. We planted potatoes and carrots in containers on grow tables. Will still be harvesting those for a while. Both have a much better taste than any from the store. We enjoyed many zucchinis grown in containers in the garden. We set up a portable screen house to protect cabbages planted in containers. They are doing well. The in-ground garden is always a struggle. We need to build up the soil better. Ernst has beets, turnips, radishes, and onions in the ground. We have been using from the onions. Next big project will be to harvest the crab apples. Good crop this year. I was waiting for them to fall, but they seem to have no intention of that. So we may be climbing and picking. We also had success increasing the size of the strawberry bed outside planted from streamers from the ever-bearing that we have had for years in the greenhouse. Some of the tomato, pepper, and cucumber plants were grown from seeds I saved from last year, so that was a first.

We try to serve for Thanksgiving only what we have grown, caught (capelin), or foraged (blueberries, chanterelles). Attached is a photo. The Thanksgiving menu consisted of veggie boil-up, pan-fried capelin, and blueberry cobbler.

Give our best wishes to everyone.

Marcella

From The Archives

This week, I came across an award presented to the St. David's Junior Choir in 1981. Apparently, they participated in the Kiwanis Music Festival - Class #39, Entry #1, Church Choirs - and they won first place with a mark of 89!!

Some of the comments from the adjudicator included "... I like the way the voices are kept free. It is also good to have uniform vocal colour." and "Very lovely soloist. Upper part of voice used very naturally."

Anyway, it was a great accomplishment for our Junior Choir. Does anyone remember this event? We'd love to hear from you if you do.....

As always, thanks to Pam for taking care of these little treasures from our past.

Church Trivia Questions

Way back when:

Last week the question was: Who was the only member of the Canadian military to serve as our minister?

The answer is: During World War II, John F. Nute became our minister from 1941 to 1943. He resigned from the church to become a Chaplain in the Royal Canadian Air Force. Rev. Nute was born in New Jersey in 1907 and attended the Wheaton and Westminster Seminary. In 1936 when he married Marjory Cox he was living in Nova Scotia and serving as a Presbyterian Minister. The family eventually moved to Maple Ridge BC, where John died on Oct 29, 1986. His wife died in 1997 and is buried beside her husband.

This week the question is: Who was the minister who came to the Queen's Road Church, discovered a \$15,000 debt and worked diligently with the congregation to pay off the mortgage? And for an extra question, that was done during a Thanksgiving ceremony in which year?

Recent History:

Last week the question was: What do the initials C.G.I.T. stand for and when did this group close at St. David's?

The answer is: The C.G.I.T. stands for Canadian Girls in Training. This group was active in during the 1960's and wound down in the early 1970's.

This week the question is: What does St. David's generally do now to obtain money for large projects?
