Bridges to Hope - Bag to School Program:

Each year, the Bag To School program at Bridges To Hope provides school supply assistance to K-12 students in the St. John's Metro region whose families are experiencing financial hardship. Our goal this year is to support 1000 local kids, many of which would not be able to put together a full complement of school supplies without this program. Last year, Bridges To Hope was able to provide school bags to 900 local students. We are once again reaching out to our faith-based community, and are asking you to extend your generosity through donations of specific school supplies from our wish-list. We are asking for donations of 24pks of Crayola Colouring Pencils and 5pks of Highlighters. We are hoping you can help us in our mission to prepare young minds for a great school year in 2026. Thank you for your continued support!

Reduce Reuse Recycle!

Do you recycle your beverage containers? At St. David's, we do!

Throughout the year, the church, and some congregation members, drop off recyclables and donate the proceeds to St. David's. At the end of the year, the account is cleared and the amount divided equally between St. David's Women's Auxiliary and St. David's AMS. This year, the AMS will donate their proceeds to their latest project, PWH₂O-01, "Water, Sanitation and Hygiene".

Would you like to help us? Here's how ... just drop off your recyclables at one of the recycling depots, enter the church's phone number (722-2382) on the monitor, and that's it! If you go into the depot counter, just tell them you'd like to donate the recycling to St. David's Church they'll take care of the rest!

“Without water drops, there can be no oceans; without steps, there can be no stairs; without little things, there can be no big things!”

Our Community Garden!!

The church garden is looking fabulous, the fence has been painted, a children's play-set is setup and being used, and three garden beds have been planted with tomatoes, basil, fennel, and more!

If you would like to visit the community garden there is another way to access it if you would rather not climb the grassy incline from our parking lot... Just off Portugal Cove Road before you reach Red Door Hearing (building parking lot) there is a gravel lane-way that leads you to the back of the church and to this little garden area.

We would love for you to visit the community garden and share your comments with us!
