Reduce Reuse Recycle!

Do you recycle your beverage containers? At St. David's, we do!

Throughout the year, the church, and some congregation members, drop off recyclables and donate the proceeds to St. David's. At the end of the year, the account is cleared and the amount divided equally between St. David's Women's Auxiliary and St. David's AMS. This year, the AMS will donate their proceeds to their latest project, PWH₂O-01, "Water, Sanitation and Hygiene".

Would you like to help us? Here's how ... just drop off your recyclables at one of the recycling depots, enter the church's phone number (722-2382) on the monitor, and that's it! If you go into the depot counter, just tell them you'd like to donate the recycling to St. David's Church they'll take care of the rest!

"Without water drops, there can be no oceans; without steps, there can be no stairs; without little things, there can be no big things!"
