The “Dissenters Path” is an interpreted walk that traces the 250-year history of the Congregation today known at St. David’s Presbyterian Church. The walk touches on the places and events that shaped the church from its origins in the 1770’s through to its present day. The walk will take the “Main Path” and “Return Loop” (as seen on the map) which is a total of 5km taking around 2+ hours. Opportunities to take short cuts and leave the guided tour are freely available. Paper copies of the map are available outside the church office and it can be viewed by following links on the church website. <https://stdavids.nf.ca/>

MONDAY MUFFIN MAKING is back!

The plan is to meet on Monday afternoons and make muffins, to be distributed to Bridges To Hope clients. Cookies, fancy biscuits, baked goods are expensive and generally not considered when people make donations to the Food Pantry. But everyone likes a treat, so we're going to make some!

This is not an expensive or labour-intensive project. It requires 3, maximum 4, people to make, bake, and package the muffins, and can easily be done in a couple of hours! Initially, we will use muffin mix, provided by Bridges To Hope, but hope to expand to "Sweet Treats", i.e cookies!

While Bran muffins are lovely, we'd like to add some flavour so if anyone would like to contribute chocolate chips, raisins, berries, etc., that would go a long way! Already, several people have offered to donate either supplies, or money to purchase supplies.

If you're interested in helping out in any way, please give your name to Heather in the Church Office, Janet Aitken, Lillian Crawford or Janet Calver.

Best case scenario - we get enough people interested that we can rotate teams and, who knows, do it more often and have muffins and/or treats on hand for other events!

Bridges to Hope: Can openers & cloth bags are needed !!!

Reduce Reuse Recycle!

Do you recycle your beverage containers? At St. David's, we do!

Throughout the year, the church, and some congregation members, drop off recyclables and donate the proceeds to St. David's. At the end of the year, the account is cleared and the amount divided equally between St. David's Women's Auxiliary and St. David's AMS. This year, the AMS will donate their proceeds to their latest project, PWH20-01, "Water, Sanitation and Hygiene".

Would you like to help us? Here's how ... just drop off your recyclables at one of the recycling depots, enter the church's phone number (722-2382) on the monitor, and that's it! If you go into the depot counter, just tell them you'd like to donate the recycling to St. David's Church they'll take care of the rest!

"Without water drops, there can be no oceans; without steps, there can be no stairs; without little things, there can be no big things!"
