THE OFFICIAL NEWSLETTER OF
ST. DAVID'S PRESBYTERIAN CHURCH

Welcome to the News from the Pews Newsletter!

As winter settles in and a new year quietly unfolds, this season invites us to pause, reflect, and begin again. The turning of the calendar does not demand grand resolutions or immediate change. Sometimes a fresh start arrives gently, in small moments of grace, renewed faith, or a simple willingness to try again.

In this month's newsletter, you'll find updates, reflections, and opportunities to gather, serve, and stay connected as a faith community. As we move through these winter weeks together, may we find comfort in familiar rhythms, encouragement in shared moments, and hope in the promise that God is always at work making things new. No matter where you find yourself at the start of this year, there is room here for rest, renewal, and a faithful next step.

Church
in Canada

Minister's Message

This year at St. David's, one of the areas we will be focusing on is our relationship with our sister Presbyterian Congregation, St. Andrew's (also commonly known as the Kirk). There is currently no minister serving full-time at the Kirk, and their search committee continues to pursue new applicants. In these days, there are not many people choosing to enter into the ministry and the applications have been slow. Many churches across Canada face the same struggle, and though hundreds of churches are searching for a minister (and hundreds more are vacant without the funds to sustain one), our seminaries are not finding equal numbers of applicants rising to the task.

Their historic building downtown requires maintenance which, although there is no risk of catastrophe, is still beyond the long-term capacities of the current congregation, and so an amazing effort is underway to form an historic foundation that will take over the building. The Kirk has done amazing work at discovering grants and other ways to stretch every dollar, and the expertise they have gained through their hard work is something we could also benefit from here at St. David's.

After last year's visit to our churches from John Barrett, who works with Presbyterian congregations all across Canada, it was recommended that we take the simple step of gathering together more often, without agendas or set topics of discussion. In these days when churches and other similar social organizations are struggling to find sustainable relevance to a changing culture, the path forward lies in nurturing our friendships. Both of our churches recognize that the future will require new things from us, and reaching out with friendship and willingness to our closest brothers and sisters is an important part of being the welcoming and open church we want to be.

My hope is that as we get to know each other better, we will discover ways to mutually support each other. In an age when divisions seem to be deepening, we want to take a different path by building bridges instead of walls, and focusing on time together is a good first step to take with some of our closest brothers and sisters in faith. The prospect of adding more to our already busy church schedule is something we approach with caution. We do not want to burn out our volunteers, and I myself owe a great deal to the voices of wisdom who remind me of this fact. It is good to be a busy church, but it means we continue to need new helpers to grow our activities!

Please consider if you would be willing to step up to help out with making food, doing set-up, serving, or clean-up for meals in our church hall. The more helpers we have the greater our dreams can be, the work is easily learned, and the friendship formed in working together is worth it! We will provide all the instruction and mentorship you need.

This year, may we make new friends and find our family growing. In the family of Christ, we are so much less alone than we think. We are part of a Family that is bigger than St. David's, a Family that lives all around our city and even around the world.

What Good News that is for us!

David

Treasurer's Report

I wish you all a Happy New Year!

During December I spent the month as manager on duty. I always look forward to it for many reasons: for its brightness and cheerfulness, for the people who return and attend church with their families, and yes, the fact that we do really well monetarily in December. This one was like many others in our long history. We actually paid all our local bills and on December 23rd, the money owed to the Presbyterian Church of Canada (PCC).

I did one other thing before year's end, I paid off the church's Line of Credit (LOC). Why did I do that? In 2027, our 2025 expenses will show we paid off the loan of \$10,000. In 2027 the PCC will charge us roughly 20% of our total income after allowed expenses for various assessments ranging from ministers' pensions, to Presbyterian Sharing, and Synod charges. We just saved \$2,000. That's forward thinking. It also means that our bank account right now (8 am Thursday January 8th) is \$72.40. Am I worried? No, as we do have income coming in through various ways and that LOC.

I'd like to thank everyone who supports this church and its many activities both for the congregation and our local community. As we move forward this year, please reflect on what St. David's means to you and your family, now, going forward, and into the future. Our future depends on you and everything you bring to our congregation. As Treasurer, I appreciate your generosity. I hope that you continue to support St. David's in many ways and as best you can.

Thank you.

Anne

SUNDAY SCHOOL RESUMES

Sunday School has started up again for the new year, and will be studying the Story of the Bible as told in the Jesus Storybook Bible. We aim to teach children to relate to the stories of the Bible and reflect Jesus Christ in their actions, while taking plenty of time for joyful play and building friendships. Parents are asked to consider volunteering to assist with one Sunday each month to ensure that our volunteers get breaks, and new volunteers are enthusiastically welcome!

Creche/Playroom

We have an unsupervised Creche/playroom for Families to use. This space is available to use anytime and during the worship service.

Well, the Good Companions Group has started a Jigsaw Puzzle exchange... you will find the Jigsaw Puzzles in the locked grey cabinet just outside the Armour Room. Message from the WA

Hello Ladies,

St. David's Women's Auxiliary is in NEED of new members to continue its work. We get together at Noon on the last Tuesday of each month for a light lunch, meeting and friendship hour. You don't have to attend our Church regularly or even be a member of the Church to join us. Also, if you aren't a baker or a cook, there are lots of other ways to help. Why not just come and make a new friend; we'd really like to see you.

We carry out various projects each year to raise money for improvements to the Church/Church Hall. These include hosting the Pancake Supper, Good Companions Lunches, Funeral Receptions, etc. We are always looking for new ideas and maybe you have some.

Over the last several years, our main fundraiser has been our monthly Bridge/Luncheons. These have been very successful and we have established a reputation for good food and a warm and welcoming atmosphere. If you're not available in person to help on that day, perhaps you'd consider making a pot of soup or a dessert for that event. Cookies, sandwiches are often required for functions so perhaps you could help there.

Please consider coming to our meetings or offering to help in some way. If you are interested, or require further information, please call the Church Office, (709) 722-2382 or one of the following:

Janet Calver Phone: (709) 745-1343 E-mail: Janetlcalver@gmail.com

Lillian Crawford Phone: (709) 754-2362/(709) 691-3057 E-mail: lilliancrawford4@gmail.com

Janet Aitken Phone: (709) 726-1916 E-mail: janet_aitken@hotmail.com

We appreciate your support and look forward to hearing from you.

P. S. From time to time, we need some strong men to set up table/chairs before a function, so check with your husbands, partners or sons to see if they would be willing to help as well.

Sunday School Fun - December

The Sunday School children were very busy in December. Not only did they listen to the reading of the Christmas story and learn some lovely Christmas carols, they also had a “craft time” every Sunday. They made beautiful snow globes and giant candy canes and made them into a reindeer’s heads. No small feat! Then of course, there was the Christmas pageant. The Sunday School children took the lead, and guided the congregation in the re-telling of the birth of Jesus – costumes and all. Probably the most exciting and meaningful activity the children did was making Christmas cards for those members of our congregation who cannot get out to Church or have difficulty doing so. The children’s hand-made cards were part of the Christmas Gift Bags and for the recipients, the cards were the most treasured and meaningful part of the surprise.

We look forward to seeing our the little ones back in the New Year! (And thanks, Sarah, for the picture below!)

TSO Concert – December 7th

The TSO (Tenacious String Orchestra) performed in our Sanctuary on Sunday, December 7th, as part of a long-standing annual tradition at St. David's and one that our congregation looks forward to every Christmas! Many thanks to the TSO for sharing their music with us once again and to our choir for their gift of music! We hope to see them soon!

The TSO is a community-based, non-auditioned ensemble that welcomes adult string players of all levels. They meet weekly on Monday evenings at St. David's. The TSO is currently led by Persio Dominguez Piantini.

AMS Advent Luncheon – December 7, 2025

The AMS from both Churches – St. David's and St. Andrews – met on Sunday, December 7 and celebrated Advent together. St. Andrew's hosted the luncheon after Church. As usual, it was a lovely time spent together. The luncheon was delicious and that was followed by a short devotional time. It was a wonderful way to step back from all our worries and the hustle-and-bustle of Christmas and reflect on what is really important in the Season. We look forward to joining with St. Andrew's AMS for other events in the New Year!

Church Decorations – Many Thanks!

Every year at the start of Advent, our sanctuary is adorned with familiar decorations that signal Christmas is coming. As with our own decorations that go up around our homes, the sanctuary decorations bring back many good memories. The excitement usually starts when the McKenzie family drop off the beautiful swag and outdoor wreath. The colourful banners are hung proudly on either side of our Church and the Christmas tree goes up always adorned with handmade angels made by Grace Artiss's mother, Augusta Joubert. (We fondly remember Augusta, who passed away at the age of 97, this past September.) Our handmade nativity creche appears and always becomes a central part of our Christmas pageant. This year, we enjoyed a special treat when the Horticultural Society and the Floral Design Group volunteered their talents and decorated our sanctuary with wreaths, and swags, not to mention our Advent Candle! A big thank-you to everyone who helped with the sanctuary's decorations this year!

Good Companions Christmas Dinner – December 11th

One of the many highlights for our Good Companions Group is the Christmas hot turkey dinner in December. This year was no exception! Everyone was quite excited – including the volunteers! Many thanks to everyone who worked behind the scenes to make this a very special time for our Companions and to all our Good Companions who brought a donation for Bridges to Hope and the hampers. Your generosity was much appreciated!

We look forward to seeing everyone at the startup of Good Companions again in January!

Music in the Hall Concert (December 13th)

Our last Music in the Hall concert for 2025, was held on December 13th. The guest performers included Shelley Neville, Bob MacDonald, Jacob Slous (percussion and drums), and our own Brian Way (piano/keyboard). It was a beautiful Christmas concert made even more special by having it in the sanctuary. From easy-listening Christmas melodies to all the familiar Christmas carols and hymns – topped off by Shelley's rendition of "O Holy Night" – it was truly a night to remember! We hope to see them come back in 2026!

A big thank-you to Brain for all the hard work that he puts into making these concerts a reality and all the great evenings of music we have enjoyed these last few months! We look forward to the New Year and more concerts showcasing the incredible talent we have in our province!

Below (left to right):

Bob MacDonald, Shelley Neville, Brian Way and Jacob Slous.

And speaking of talent, Bud Gaulton, a good friend of Brian Way and a professional photographer, was at the Christmas concert and captured some fantastic shots throughout the show. We are thrilled that we can share his talent with you as well! Thank-you Bud!

WA Hosted Bridge Party – December 16, 2025

The WA hosted the December Bridge Party on the 16th in the Church Hall. We were fortunate to have escaped some nasty weather earlier in the week. The WA ladies and our team of helpers made sure that everyone had a warm welcome and a fun-filled afternoon. The soups and desserts are always something our guests look forward to. The December Party had a little something extra - a Christmas-themed gift basket that was won by one of our bridge players, Jane Laite, just before the afternoon came to a close. All-in-all, a great afternoon!

Many thanks from the WA to all those who volunteered to make this afternoon a great success – our set-up and take-down crews, our "souper" cooks and "delectable dessert" bakers, our dessert "plater", our kitchen staff and servers, and our dirty dishes cleanup team. We look forward to seeing you all again in the New Year!

Here are just a few of the pictures from the 16th.

Christmas Gift Bags

Once again, the AMS, under the careful hand and guidance of Penny, and assistance from Jenny, helped organize and deliver gift bags for those in our congregation who find it hard to get out to Church. The hand-delivered little gift bags contained a few treats or a plant/, some fresh fruit, and a homemade card from our Sunday School children. The visit and the little gift bag brought a smile to many faces! Many thanks again to everyone who helped out.....

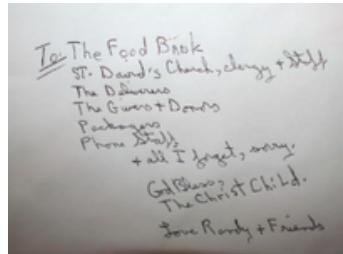

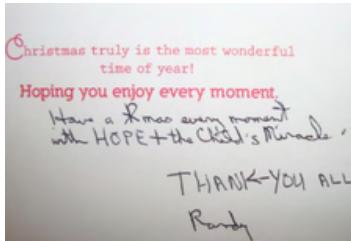

Good News from you

Christmas Hampers – Many Thanks!

One of the most rewarding activities we do as a congregation involves putting together and distributing close to 40 Christmas Hampers. We have many helpers from our congregation and the community - including a team of hockey players! Many thanks to Lillian Crawford and Anne Calver who start working on this project and lining up the volunteers early in the Fall. A big thank-you to everyone who: donated food and money; watched for the “specials” and then went shopping; carefully stored the items until packing day; put the boxes together; made numerous phone calls to our clients and our drivers getting everyone organized; picked up turkeys, vegetables sacks, eggs, etc.; carried the heavy totes of sugar and flour, etc. from storage to packing area; packed the boxes; and ensured that every driver had everything they needed for a successful delivery. Thanks to everyone for your time and generosity!

When our drivers deliver their hampers, they are met by appreciative thanks and smiles, but many times, the people back at the Church doing all the sorting, packing and organizing do not get to see just how important our hampers are to people or how much they make a difference. So it was quite a lovely surprise to have one of our drivers bring back a Christmas card, hand-written by one of our hamper recipients. It certainly made our day!

Art Auction - 2025

This past November/December, St. David's, in collaboration with Bartlett Auction Inc., hosted an online Art Auction to raise funds in support of our ministries and community outreach. Many in our Church family helped make this event a success by contributing original artwork, photography and other fine art pieces. Many thanks to Ian Bruneau and Heather Steele-Morrissey who worked tirelessly to make this a great success!

Below are just some of the pieces that were on display on our Hall stage during the final days of bidding.

Special story for the Fogwill-Heffernan Families

Many of you will remember the late Bouwina Fogwill, beloved member of St. David's and many groups and committees. In the fall of 2024, daughter Margaret came by the church with wool and knitted items that her Mom had worked on for the Prayer Shawl Knitters Ministry. Among the items in the collection of knitted goods were two wee baby hats – Margaret decided to keep these two hats in case they were ever needed; well it turns out she didn't have to wait very long!

Introducing Bouwina's great grandson, Tor! Son of Shane and Julie Heffernan. And, while she didn't get to hold her first great Grandchild, Bouwina would be so delighted that these little baby hats "have provided warmth and wrapped him in love, continuing her legacy of outreach".

One last little mention: Bouwina's birthday was in March, many of you will remember the birthday celebration her family had for her at St. David's – it was such a special day!! Well, wee Tor now takes over as the new March birthday!!! But that's not all, a sibling for Tor is expected in, you guessed it, March!!

To the Fogwill-Heffernan Family, all of us here at St. David's send joy and best wishes as you await the arrival of your new wee one this March!
